[Relief Effort for Damage from Pacific Coast of Tohoku Earthquake](#)

We would like to express our deepest condolences for all those lost their lives as a result of the Pacific Coast of Tohoku Earthquake as well as convey our sincere sympathies for the many people affected by the disaster.

To aid the earliest recovery from severe and extensive damage by the earthquake, we have decided to donate 20 million yen, 15 million yen by Okaya & Co. and altogether 5 million yen by its subsidiaries including those located outside Japan. For supplemental support, we are conducting internal fundraising campaign among directors and employees of Okaya and its subsidiaries.
